ANTIOCH, ILLINOIS, THURSDAY, SEPTEMBER 6, 1923

NO. 1

## LAKE VILLA IS COUNTY CHAMPIONS

Defeats Antioch in Fifth Game of Series at "W" Park Sunday

### ANTIOCH BESTS GIANTS

After losing the first two games of its series with Antioch Lake Villa came through the opposition like a steamroller over egg shells and took three straight Sunday's battle at "W" park proved that the 1922 champs were able to repeat for the 1923 honors to the tune of 3 to 1.

Blaby was the strong man for Lake Villa, holding the Antioch outfit to seven scattered hits while his teammates amassed 11 bingles off the offerings of southpaw Jess Davidson.

Lake Villa scored three runs in the sixth inning and then locked the bank. Ahlstrom singled and was followed by Winters who also socked a wallop sending Ahlstrom another lap ahead. Sorenson beat out a bunt. Lux hit a ground to Davidson and almost got safe when the pivot jumped over the latter's head. Stanzack, however, made a neat play and caught Lux on first. Ahlstrom, in the meantime, had scored with the first run. Davidson then uncorked a wild pitch, and allowed Winters to romp home. Hollstein came through with the final hit of the inning and scored Sorenson.

Kingsley walked to start Antioch's rally. He was followed by Stanzack with another free ticket. Dack went out, Davidson whiffed, but Gross slammed out a hit and brought Kingsley in. Keros fled out.

The game was full of thrills and kept the fans on edge throughout. About a thousand were present to watch the hostilities. Antioch's base running and what some called "hard luck" was responsible for the defeat. Gross was hit by a batted ball in the ninth inning when he was racing to third with the tying run, while Dack another Antioch man, was hit by a batted ball in the fifth inning.

Lake Villa, however, had the edge in fielding and hitting, and deserved the victory.

On Monday (Labor Day) afternoon Antioch had a close call when the Hartford Giants of Chicago outplayed them for eight innings, only to lose by a 3 to 2 score.

The colored boys put across one run in the first inning and another in the sixth, while Corvill, the diminutive colored twirler practically had the Antioch batters at his mercy. In the seventh inning Keros walked and advanced to third on two outs that followed. Kingsley hit a grounder to the shortstop and threw in plenty of time for the out, but the first baseman dropped the ball and Keros tallied the first score.

In the eighth the colored boys had the game well in hand, but for a prize "bomer" on the part of the visiting catcher. Bailey reached first base via the walk route. Kingsley took three healthy swings for the third out, but the catcher dropped the ball and picked it up again and started for the bench without making the necessary throw to first to retire the batsman. The umpire called Kingsley out and a big argument started which lasted for twenty minutes until a rule book was secured and the dispute settled. While the argument was in progress Bailey took third and Kingsley second. The umpire changed his decision when he saw the rule whereby Kingsley had a right to try for first on a third strike with two out. Dack was the next man up and with Bailey on third and Kingsley on second, the score 2-1 against them and two out he came across handsomely when he clouted a long drive over the left fielders head for two bases and two runs and the game.

Antioch could only get four hits off Corvill, while the colored boys registered eight safe ones off Bronkie.

Lake Villa showed that it could win exhibition battles with Antioch as well as regular ones when it took a 6 to 5 battle at the Fair grounds Saturday afternoon. Lake Villa bunched its rallies in the first and eighth innings, but outside of those two

## 20 Years Ago in Antioch

Thursday, September 3, 1903  
Walter Taylor was a county sent visitor Tuesday.

Born—To Mr. and Mrs. Wm. Runyard, Sunday, Aug. 30, a baby girl. Homer Stevens of Waukegan is visiting relatives and friends here this week.

Miss Hattie Shulke of Lake Villa visited her parents and other Antioch friends over Sunday.

Miss Libbie Webb left on Monday for Waukegan where she has decided to take course of study at Carroll College.

Frank Haycock, who is connected with the Erie railroad in Chicago, was visiting his parents and calling on Antioch friends over Sunday.

H. B. Pierce returned last week from his trip to Oklahoma and is delighted with the future of the country. While there he placed an order for two carloads of shade trees which will be shipped about Oct. 1. Mr. Pierce believes this is the first order for Illinois trees by any nurseryman, and he is to be congratulated upon his early entering so prosperous a field.

Miss Smith of Chicago is the guest of Mr. and Mrs. J. J. Morley.

Mrs. Charles Holmes of Chicago is visiting with her parents, Mr. and Mrs. John Drury, this week.

Harvey Watson of Chicago visited with his mother and called on Antioch friends the forepart of the week.

## Wrestles Bull At County Fair; Sent to Jail

Leslie Owings, employe of the Dering farm at Lake Villa, may not have been the biggest man at the Lake County Fair at Libertyville but some of his undertakings would have paid Houdini himself.

Strengthened by four drinks of a strange concoction labeled as liquor the farmer straited about the fair grounds trying right jabs, left swings and upper-cuts on whomsoever stepped in his path. He was feeling strong. In fact, one policeman and two citizens were in danger when they came in contact with his sweeping arms.

Western cowboys might have delighted in one of the closing rounds as Owings pursued by a deputy sheriff and several other officers leaped into an exhibition tent where there were several prize bulls.

He caught one of the largest by the horns and proceeded to execute a flying tackle. The bull was just dropping to his knees when Deputy Sheriff Lester Tiffany joined Policeman Gillis of Waukegan and several others who sought to take the man into custody.

Owings let the bull loose and he swept out with his powerful hands. Policeman Gillis tripped and was kicked in the side by a nearby bull. He was not injured.

Deputy Tiffany was forced to hit Owings with his club before the latter was arrested. He fought all the way to the county jail.

## Cement Road South of Town Is Completed

Work of cementing Lake Villa-Antioch road by Contractor George R. Wade was completed Saturday, it was announced by Charles E. Russell, county superintendent of highways.

This was the section which the bonding company took over because Contractor Wade was unable to complete the work inside of the time limit. The bonding company permitted Mr. Wade to complete the work under their supervision.

The road will be open to traffic in about three weeks.

frames did not have much of a look-in on the scoring.

Antioch barely missed tying the score in the last of the ninth. With two on base and three runs behind, Bailey slammed the ball to the race track and drove the two men ahead of him. He was caught at the plate trying to stretch the triple into a homer. Much howling accompanied the decision which was a close one.

Antioch started its fireworks at the latter part of the game, scoring in the sixth, seventh and ninth inning.

## Woman's Club Town Members Are Entertained

The benefit card party given last Friday at the Channel Lake Country Club, under the auspices of the non-resident members of the Antioch Woman's Club, was a most pronounced success. One hundred ladies participated in the games of bridge and 500, and also prizes, all of which were donated, were awarded the successful players. An added feature was the serving of sandwiches, cake and coffee, also donated by the non-resident members, which made occasion seem quite like a real party. It was with much satisfaction that the ladies were able to turn over \$60.00 to the Woman's Club for the benefit of the Boy Scouts and the Antioch Public Library.

The weekly card parties which have been held at the Country Club each Tuesday during the season will be continued until Sept. 11th, and longer is feasible, and the Saturday night dances will also continue through the month.

## DOROTHY S. TECKERT PASSES AWAY FRIDAY

Dorothy Sophia Teckert, daughter of August and Augusta Teckert, was born in Kenosha, Wisconsin, October 23, 1897, and departed this life in the same city on August 31, 1923, aged 25 years (10 months and 8 days).

When Dorothy was a tiny infant, the family left Kenosha and moved to a farm where she grew up amid the attractive scenes and the busy toil of farm life. This was near Pikeville Corners, between Bristol and Antioch. After fifteen years there they went to live near Loon Lake for some six years, coming from there to Antioch, which has been the family home during the four years since Dorothy lived here with the family for about two years, leaving for Kenosha to work, where she has been the greater part of the time the past two years.

About two weeks ago she was taken ill, and after a few days came home expecting to stay for a time. A few days later she became worse and returned to Kenosha to go to the hospital, where the illness terminated fatally last Friday morning.

In her earlier life she attended the Methodist church near Pikeville, and in Kenosha has been a member and regular attendant upon the services of the Lutheran church when convenient.

She is survived by her father and mother, five sisters and three brothers, all living near Antioch and present at the funeral except the oldest sister and the younger brother, both of whom live in Oregon.

The remains were brought from Kenosha to Antioch on Saturday afternoon and the funeral was held at the Methodist church in Antioch at 2:30 P. M. on Sunday in charge of Manly J. Mumford, pastor of the church. Interment was made in Antioch cemetery.

## FINED \$20 FOR DRIVING UPON FRESH HIGHWAY

J. Lelder, Chicago, was arrested Friday night on a charge of driving on the fresh concrete road at Loon Lake. He was taken to the court of Justice Harry Hoyt in Waukegan and was fined \$20 and costs. He paid the fine and was released.

## Grade School Is Opened with Full Enrolment

The Grade School opened Tuesday morning for the 1923-24 term with 154 pupils enrolled.

The primary department is filled to capacity, fifty little people from our own district being enrolled in the first and second grades. This unusually large number makes it impossible to accept first or second graders from outlying districts.

Miss Tibbitts has an enrollment of thirty-five pupils in the third and fourth grades; Mrs. Garland, thirty-three pupils in the fifth and sixth grades. In the grammar grades there are thirty-six enrolled.

The text books in use last year are again recommended in the county course of study with but slight changes. The fourth grade will use "The Land of Health" (Winslow) as a text in physiology. Mace's "Elementary History" is to be supplanted by "Hero Tales From History" in the fifth grade and "The Making of Our Country" will be used as a history text in the seventh grade, it being a far superior work to Montgomery's "American History," which has been used in the county for a number of years. Both new works in history are by Smith Barnham.

The teaching staff is as follows: D. L. McTaggart, 7th and 8th grades.

Mrs. George Garland, 5th and 6th grades; Miss Thelma Tibbitts, 3rd and 4th grades; Mrs. Charles Lux, 1st and 2nd grades.

## BOARD ADVISES WITH ATTORNEY RUNYARD

The village board at its meeting Tuesday night was enlightened by the village attorney, Eugene Runyard, on matters pertaining to the village's indebtedness. Mr. Runyard was of the opinion that the village could place a bond issue. The matter was discussed and it is probable that it might be put up to the residents of the village.

Taxation or licensing of out of town taxis doing business in the village was taken up with the attorney and he expressed the opinion that it was within the board's legal right to impose a license on this class of business.

The lighting question was brought up and legal advice sought in this respect. Atty. Runyard said that it was legal to tax business for this improvement for the maintenance of lights.

## A. C. STOXEN COW IS TEST LEADER FOR JULY

Reports of the Cow Testing association of Kenosha county for the month of July as made public recently by Marshall T. Williams, the official tester, revealed that A. C. Stoxen was owner of the leading cow for the month of July.

## WILMOT FAIR IS TO BE BIGGER, BETTER THAN EVER

Wilmot West Kenosha County Fair is rapidly getting into shape for the opening date, Sept. 20. The fair will run for three days this year. A very much improved show is promised by the committee in charge.

The opening day will be children's day, and the parade will be given over to the schools of the county for their floats. Friday will be the business men's parade, and Saturday the parade will consist of the blue ribbon winners of the stock exhibit.

Dinner will be served each day by the women's committee in the new gymnasium.

## HOLIDAY CROWD FILL HOTELS TO CAPACITY

The Lake Regions summer season came to a close over the holiday with a bumper crowd.

Early Friday night the week end holiday crowd started to arrive by train and auto. The roads from the south showed a constant stream of cars all day Saturday and Sunday.

Every hotel in the district was filled to capacity early Saturday and by afternoon were turning guests away. The two town hotels were filled early and the guests had to seek outside rooms in the private homes in the village.

The traffic on the road through town was very heavy and Marshal James was kept on the jump all day Saturday keeping it moving.

All told the season has been a fairly heavy one considering the road conditions.

## SPEEDWAY TO HIGH SCHOOL IS OPENED

Again the High School boys have entered their high-powered flivvers, trucks, etc., in this year's handicap along the speedway from Lake street to the high school.

This is a practice that should be stopped at once before it is too late. Many of these boys are under the age limit for driving.

It might be interesting to them to know that the village mayor and trustees are sworn officials of the law and it might be of good judgment to stop when ordered to.

## "Joey" Adamski Is Victim of Auto Crash with Train

Death followed in the wake of the county fair Sunday, and three North Chicago young people, all bound for Libertyville, gave up their lives on the St. Paul crossing on the Bulkeley road when their automobile was swept from the tracks by a limited train southbound.

Those who were killed were: Frances Salata, 15 years old, of 16th and Victoria streets.

Frank Sorecki, 22 years old, of 23 Fellow place.

Joseph Adamski, 19 years old, of 12th and Victoria streets. He will be remembered by Antioch baseball fans as little "Joey", pitcher for North Chicago, having performed here this year and last year.

Sorecki was the driver. Adamski was instantly killed. His mangled form was found dangling in the front part of the engine when they stopped the cloven coched passenger train a mile down the track.

Miss Salata and Sorecki were found huddled near the wreckage of the car. Both were unconscious and apparently dead. The Wetzel and Peterson ambulance was called and they were rushed to the Victory Memorial hospital where they died on the operating table.

The body of Adamski was battered beyond recognition. The other two young people were also hard hit.

## BOWLES HAS AUTO ACCIDENT MONDAY

An accident in which no one was seriously injured occurred Monday night on the Antioch-Hickory road between Hickory Corners and Bonn Hill, when an automobile driven by John P. Bowles of Antioch ran into the ditch. According to him he was forced too far to one side of the road by an approaching motorist and was unable to get back before he could avert going into the ditch.

## WATCHMAN AT MERRICK CAMP AUTO VICTIM

Body Found in Ditch Early Saturday Morning By Workmen

### LEWIS IS IN CUSTODY

John Wild, 60 years old, night watchman employed by the E. H. Merrick Construction company, near Lake Villa, was killed Friday night by a machine alleged to have been driven by "Dago" Frank Lewis, who has a summer home at Squaw Creek near Ingleside.

A warrant was issued for the arrest of Lewis on a manslaughter charge. Another warrant for the arrest of "John Doe," manager of a garage at Lake Villa, was also sworn out. The garage man is alleged to have taken the car away at midnight.

The body of Wild was not found until 7 o'clock Saturday morning, employees of the Merrick Construction company finding the body in a ditch near the Otto Lehmann farm, about two miles from Lake Villa.

Wild, according to the story told to State's Attorney A. V. Smith, was struck by "Dago" Frank's machine at 10:35 o'clock.

The driver of the car is alleged to have been traveling at an exceedingly high rate of speed, going through a barricade on the Fox Lake-Lake Villa road near the Lehmann farm. The machine is said to have traveled 300 feet onto the new stretch of road after hitting the barricade, hurling three somersaults. The driver miraculously escaped injury.

A machine driven by C. B. Dicks, Jr. of Lake Villa, in which there were four passengers, was coming along a detour road at the time of the crash. Those in the car were Mr. and Mrs. C. B. Dicks, C. B. Dicks, Jr., Charles McFarland and John J. Mulvill, the latter an Oak Park man visiting at the Dicks home.

Mulvill told State's Attorney Smith that they heard a machine going west at a terrific rate of speed, the motor being heard a long distance away. He said the brakes of the car started to grate, it being apparent the driver was bringing his car to a sudden stop. The sky, a minute later was illuminated, he said, this being caused when the machine overturned.

Mulvill said he and members of the Dicks family hurried to the barricade road and found the overturned machine and a man who later gave his name as Lewis, pinned under the car. He was extricated from his perilous position and found to be uninjured.

Lewis, according to Mulvill, told him and Mr. Dicks that he was alone in the car and that no one was hit by his machine. He was taken to his summer cottage. He fainted twice on the way home, but when he arrived there he was all right.

## RECEIVES BAD GASH IN FALL FROM HAY LOAD

Mr. Harris at the Golden farm east of town suffered a painful injury when he was thrown from a load of hay Tuesday.

He was on top of the load when the horses started suddenly, throwing him back of the load. A gash extended nearly the length of the top of his head is thought to have been caused by a pitchfork that he had in his hand. Dr. Beebe was called and 12 stitches were necessary to close the wound.

## A. T. WHITE ELECTED HEAD OF LAKE COUNTY G. A. R.

At the business meeting of the G. A. R. held in Waukegan last Thursday, Andrew White of Grayslake was elected head of the Post for the ensuing year. Samuel Greenleaf of Waukegan was elected secretary.

Mr. White is one of the older men of the post, yet he is very active, in fact he still delights in boxing hats with some of the young fellows, and he can put hats on the grounds, too.

The reunion was not so well attended this year. In fact this event never is so well attended on the lake shore as it is when it is held in the rural section, taking the population into consideration.

## BRIGUM BIGGS

"Anyway—Ma Believes in Ladies First"

## Local and Social Happenings

Mr. and Mrs. R. C. Aht entertained Mrs. Aht's mother, Mrs. E. I. Ward and Milton Ward of Chicago over Labor day.

Miss Dorothy Hucker, who has been enjoying a two-week vacation returned to Waukegan the first of the week.

Mrs. Tracy Davis, returned home from the hospital about a week ago and had to be taken back to the hospital the first of this week.

Mr. and Mrs. J. Burns of Oil City, Penn., arrived last week Thursday for a visit at the home of Mrs. Burn's sister, Mrs. Clara Turner.

Mr. and Mrs. Ben Burke and son of Waukegan visited over Sunday with Antioch relatives.

Miss Melba Wirthlin of St. Louis, is the guest of Miss Mildred LaPlant this week.

Mr. Leonard O'Beirne was a Sunday guest at the home of Mr. and Mrs. Sol LaPlant.

Mr. and Mrs. B. C. Drury spent last Tuesday evening with the latter's parents, Mr. and Mrs. Sol LaPlant.

D. W. Overton and family of Solon Mills, visited the LaPlant family on Sunday.

Miss Mildred LaPlant returned on Monday from the Y. W. C. A., at Lake Geneva.

Mrs. Leonard O'Beirne, formerly Ann Ebert of Antioch and son Jos. of Chicago have been spending the past two weeks at the LaPlant home here.

C. W. Hill of Millers Junction, Wis., motored down the latter part of last week and his daughter Miss Eunice Hill, who has been spending the past summer in Antioch returned home with him.

Al Weimers of Antioch, Leonard Cunningham, Leonard Strang, Phillip Block of Burlington attended the K. C. Retreat held at St. Francis, South Milwaukee, on September 1, 2, and 3.

171 K. C. members from the different Wisconsin Councils attended.

Mr. Frank Van Duzer and Miss Hazel Van Alstine of Kenosha were Sunday guests at the home of Mr. and Mrs. W. J. Van Duzer.

W. A. Christofferson and family of Kenosha were over Sunday visitors at the home of the latter's mother, Margaret Davis.

Miss Belle Hughes returned on Friday to her school duties at North Chicago, where she has taught for several years.

Henry Rentner was in Chicago visiting relatives several days last week.

Mrs. Wm. Keulman was a Chicago passenger last week Friday.

James Stearns and son Charles and daughter Esther were Chicago visitors one day last week.

John Clark entertained relatives from the city over Sunday and Labor day.

The many friends of Mrs. A. G. Watson's mother will be very sorry to hear of her serious illness, she has had two strokes recently and at present she is very poorly. She has a trained nurse in attendance. Mrs. Watson has spent most of the time the past three weeks at Waukegan with her mother. She left on Wednesday to spend the remainder of this week with her mother.

Mrs. G. W. Jensen has been entertaining her girl friend, Miss Margaret Robson of Chicago the past week.

Mr. and Mrs. William Boudro and son William of Chicago visited over Saturday, Sunday and Monday at the home of their daughter, Mrs. G. W. Jensen.

Mrs. Jas Furlong of Chicago is visiting this week at the home of Mr. and Mrs. Jas Coyne.

A number of friends of Miss Doris Saell, who with her mother are visiting at the home of Mr. and Mrs. P. Dibble gathered at the Dibble home on Monday of last week and Miss Doris was the victim of a surprise party. Cards were played and a good time was enjoyed by all. Dainty refreshments were served.

Quayle and Maurice Mumford of Evanston visited over Saturday, Sunday and Monday at the home of their parents, Rev. and Mrs. M. J. Mumford.

Mr. and Mrs. Herman Bock, Mr. and Mrs. Arthur Bock and Mrs. A. Bock's parents, Mr. and Mrs. John Berens of Kenosha left last Saturday for a three weeks vacation trip up at Chetek, Wis., where Mr. and Mrs. Bock have erected a cottage. They will also spend some time visiting with relatives. They made the trip by auto.

Mrs. Walter Palmer left on Saturday last for a few days visit with relatives at Evanston and from there she will go to Chicago where she will visit the remainder of the week with relatives.

Mrs. Walter Palmer left on Saturday last for a few days visit with relatives at Evanston and from there she will go to Chicago where she will visit the remainder of the week with relatives.

Mr. and Mrs. Curtis Wells and children and Mrs. David Pullen motored to Waukegan Thursday.

A number from around here attended the Milwaukee fair last week.

Mr. Barney Neveler, who has spent the past six months in California, returned to the Proline home last week.

David Pullen and family entertained company Sunday.

Mert Savage spent Sunday in Kenosha.

Curtis Wells and family entertained relatives from Chicago over Labor day.

The Proline and Swensen family spent Sunday at Libertyville.

Mr. and Mrs. John Woodhead called at the A. T. Savage home Sunday evening.

School starts this week with Miss Droni as teacher again.

Master Richard Chinn returned to his home in Antioch Saturday after spending the past three weeks at A. T. Savage's.

Miss Jessie Runyard is teaching at Long Grove this coming year. Mr. and Mrs. William Runyard motored down with her on Tuesday morning.

Mr. and Mrs. Frank Webb and Mrs. Earl Simpson and family of Waukegan visited at the home of Mrs. Geo. Webb over Sunday.

Mr. and Mrs. Clair Kelly of Chicago visited Antioch relatives over Saturday, Sunday and Monday.

Mr. and Mrs. S. E. Mesha and son Junior and Mr. and Mrs. Arthur Hadlock and son Howard of Chicago motored out and spent over Sunday, and Monday at the home of their mother, Mrs. Margaret Davis.

Mrs. Walter Taylor and son of Waukegan visited at the home of her parents, Mr. and Mrs. Chas. Lux, Sr. over Sunday.

Miss Esther Olsen, who has spent the past summer at Minneapolis, Minn., returned to Antioch on Monday to resume her school duties at the Antioch Township high school.

Mr. McTaggart returned to Antioch the latter part of last week where he will have charge of the Antioch grade school.

Nell Hill of Kenosha was an Antioch visitor over Sunday.

Miss Ardis Grimm, who has been visiting relatives at Virginia, Minn., returned to her home here last Friday.

Mr. and Mrs. Alfred Peterson of Kenosha visited over Labor Day at the home of Mr. and Mrs. Monroe Story.

Mr. and Mrs. Ed Gillings of Waukegan called at the Wells home Monday evening.

Mr. and Mrs. William Davis and two children returned home from their five weeks motor trip to Billings, Mont., on Thursday afternoon of last week. They came home by the way of Antioch and spent Thursday evening and Friday at the home of their mother, Mrs. Margaret Davis. They report a very nice trip, the weather being very favorable.

Mr. and Mrs. Messing and Olive motored to the city last week and attended the wedding of Miss Lida Whitman, daughter of O. A. Whitman of Chicago.

Mr. and Mrs. Messing and daughters Olive Mrs. Fannie Paulsen and Mr. and Mrs. E. H. Gleason motored out to Dundee and spent the day with Harry Messing.

Mr. Arthur Brock and Mr. Galphin of Oak Park visited over Labor day at the home of Mr. and Mrs. C. J. Roeseblein.

Born to Mr. and Mrs. Fred Hawkins on Monday morning a baby boy.

Dr. Lutterman left on Sunday morning for a two weeks visit with relatives in Iowa.

Willard Chinn has accepted a position at North Chicago, where he will teach Departmental work and Physical training.

Andrew Harrison and Raymond Webb were in attendance at the Milwaukee fair last Thursday.

## NOTICE

If you want work done by the Waukegan Rug company, please leave word at the Antioch News office or write the Waukegan Rug company at North Chicago, Ill. 521f

## CARD OF THANKS

We wish to thank the neighbors and friends for the many acts of kindness during the sickness and death of our daughter.

Mr. and Mrs. August Teckert, Sr.

## Amateur Will Find Rheostat Easy to Make

The materials needed to make this rheostat are a composition dial, some resistance wire, a small strip of brass, and some screws and mica disc. Wind the resistance wire on a 3-16 inch rod; when the coil is wound on connect one end to the brass backing inside of the dial and cut the other end off about 1/4 inch from the set-screw that runs from the top of the dial to the bushing. Cut out a round piece of thick mica large enough so that the wire will fit tightly on it, and then groove the mica. Cut out a hole in the center of the disc so it will fit snugly over the bushing, and drill a hole the size of this set-screw parallel with the disc. Put the set-screw in and this will hold the disc

on the dial. Punch two holes in the disc where the two ends come and connect one to the bushing. This serves as one contact and the other contact is made by the small brass strip that is fixed on the panel.

(© Science and Invention and Radio News.)

## Wilmot News Notes

Mrs. M. McGuire and daughters Honora and Katherine and William McGuire returned to Chicago Monday after spending the summer at their cottage in Wilmot.

Margaret Madden and Loreta Peacock were guests of friends in Chicago the first of the week.

Mr. and Mrs. E. Gertenback, Velda and Edward Gertenback of Racine were entertained at the homes of William and Fred Volbrecht Sunday.

Mr. and Mrs. C. Knuts and family and Mr. and Mrs. August Holtdorf attended the funeral of a relative in Milwaukee one day last week.

Mr. and Mrs. Tubbs of Elgin were guests of Mr. and Mrs. B. Nett over Labor day.

Mr. and Mrs. H. Hasselmann announce the birth of a daughter, Mary Lynne on August 30.

Rev. G. James of the M. E. church announce that there will be no services this coming Sunday while he is attending conference.

Elsie Harms of Burlington is visiting a couple of weeks with Mr. and Mrs. H. Hasselmann.

Mr. and Mrs. W. Carey and Blanch Carey returned Sunday from a short trip to Denver, Salt Lake and Yellowstone.

Norina Jedolo played a clarinet solo and Mary Hoffman and Rhoda Jedole sang a duet at the Waterford hand concert Saturday night.

Mr. and Mrs. Raymond Jentz and son (Miss Kabele) of Platteville were entertained by Rev. and Mrs. Jedole several days last week.

Mr. and Mrs. J. Bake and daughter of Chicago spent the Labor day holidays with Mr. and Mrs. Buckley.

Miss L. Post, teacher of Domestic Science in the U. P. H. school and Miss Stallman, principal of the Wilmot Grades have arrived and will stay at the home of Mr. and Mrs. J. Gauger during the school year. Mr. Wilmot high school department are Reschke and Miss Metcalf of this at the home of Mr. and Mrs. Jedole.

Harold Kiehnans and Henry Schulte of Milwaukee, were guests for two days of Rev. and Mrs. Jedole the first of the week.

There will be English services at the Ev. Lutheran church at 7:30 on next Sunday evening.

Wilmot was victorious over the Elkhorn baseball team by a score of 8 to 5 at the Legion Park Sunday afternoon. Monday the Wilmot team played Burlington at Burlington and were defeated 4-0. This next Sunday a colored team, the Union Glants, of Chicago, will play Wilmot at the Legion Park.

Rev. J. Wagner of Chicago who spent the summer as assistant to Rev. J. Brasky at Wilmot has returned to his home at Chicago. Rev. A. Berg of Kenosha is spending two weeks with Rev. Brasky.

Mrs. N. Knudson and Ellen and Leslie Knudson came out from Chicago for the week end with Mr. Knudson.

Mr. and Mrs. John Conrad of Kenosha were guests of Mr. and Mrs. L. Hegeman the first of the week.

A number from Wilmot attended the Elkhorn Fair Monday. Among them were Mr. and Mrs. F. Kruckman, Bert Dean, George Dean and Guy Loftus.

Mrs. George Faulkner entertained at a dinner for the members of the Hillside club.

Alleen Morgan has returned from Mrs. C. Morgan returned on Tuesday.

a visit of several weeks in Chicago. James Brewer of Chicago was a guest of Richard Klare over the week end.

Miss Ruth Morgan has returned to Stoughton where she will have the charge of the French department of the Stoughton high school. Miss Morgan accompanied Miss E. Kruckman of Kenosha on a trip to Yellowstone during August.

Mrs. Admans and son, Mrs. H. Emerson and children of Chicago are guests of Mr. and Mrs. August Smith.

Mrs. J. Nett and Mrs. B. Nett and children accompanied Mrs. Schenning of Silverlake to McHenry for the day Thursday.

Mr. and Mrs. G. W. Lewis have been in Evanston where their son Wilbur underwent a tonsillar operation Monday.

Mr. and Mrs. Higgins and family of Bristol spent Sunday with Mr. and Mrs. George Illgins.

Mrs. Sniffin and Ross Sniffin of Rockford returned to their home on Tuesday after spending a week with Mr. and Mrs. G. Dowell. Last Saturday they accompanied Mrs. Dowell and daughter Irma to Kenosha for the day.

Sylvia Dowell commenced teaching at Wheatland Tuesday and Pearl Volbrecht at Randall. Both are graduates of the Union Grove Training School.

Mr. and Mrs. J. Hanson accompanied Mrs. C. Anderson, Emma Anderson and Henry Hanson of Greenwood Neb., to Kenosha where they left for home after spending the past week with Mr. and Mrs. Hanson and Mr. and Mrs. A. Schulke. Saturday Mr. and Mrs. Schulke, Mr. and Mrs. Hanson and their guests were in Kenosha for the day.

Mary Murphy spent most of last week visiting with Hope Marie Wells in Kenosha.

Announcements of the marriage of Milton Blim and Adah Norton at Fille, Hawalla on August 11, have been received by relatives in the vicinity. Mr. and Mrs. Blim left for California following the ceremony and are now motoring to Chicago, this locality where they will spend several weeks.

Mr. and Mrs. F. Beck entertained their daughter Violet, Mr. and Mrs. P. Meyers and children of Racine and Mr. and Mrs. Richards and daughters of Chicago over Labor day, also Miss Mayme May of Antioch.

Guests of Mr. and Mrs. W. Frazier the past week were Mr. and Mrs. Kilbourne, Mrs. Johnson and daughter of Kenosha, Mr. and Mrs. Williams of Bristol.

Linus Murphy was out from Kenosha over the week end. Mrs. Murphy was in Kenosha several days last week owing to the illness of her mother, Mrs. Duffy.

Mr. and Mrs. Sutcliffe entertained Mr. and Mrs. Merrone and family of

Kenosha, Mr. and Mrs. Bogda of Chicago over the week end.

Mr. and Mrs. C. Wright and children were in Kenosha on Saturday. Helen Stoxen is attending Teacher's Institute at Woodstock this week. Miss Stoxen commences teaching her second term at Aiden Sept. 10.

Mr. and Mrs. H. Seldschlag and Miss Seldschlag entertained the following at a week end party: Mr. and Mrs. Alfred Perkins, Albert Perkins, Chicago; Mr. and Mrs. A. Jorgensen and family, Mr. and Mrs. Wm. Perkins, Mr. and Mrs. Walter Perkins and Ethel Perkins of Kenosha; Mr. and Mrs. L. Sledschlag and children.

A. C. Stoxen is leaving next week on a trip to New York city to attend a meeting of the Representatives of the National Sales Agency for Dairy Products. Mr. Stoxen will also attend the National Dairy show at Syracuse, N. Y., and will return home by way of Washington, D. C.

Mrs. G. Lafaghan of Beardsley, Minn., was a guest for two days last week with Mrs. H. Seldschlag.

Wilmot school opened Monday last with an unusually good attendance. The faculty of the U. P. H. school will consist of Prin. R. Ihlenfeldt, A. Reschke, Edith Metcalf, Miss Post; the Wilmot grades, Miss Stallman and Miss Hope.

A bad accident occurred between the Wilmot bridges Monday afternoon when Mr. and Mrs. J. F. Bluel and their seven children were overturned in their Ford truck by being crowded off the turnpike by a late touring car. The children escaped with minor bruises, Mr. Bluel was badly cut and Mrs. Bluel injured internally. Mr. Bluel and his family of Hamilton avenue, Chicago, and with L. L. Andelaz and family of Hamilton ave., Chicago, in their car were returning to the city after a week end spent at the lakes. Mr. Bluel's car was the first to meet the touring car that was entering the city and in passing were brushed over the edge. The occupants of the touring car did not stop to see what damage or injuries they had caused and in the excitement no one thought to take the number of the car. Deputy Sheriff Frazier was called but was unable to trace the car. Dr. H. Darby attended the injured and they were able to leave for Chicago at night.

Principal and Mrs. R. Ihlenfeldt spent Wednesday night as the guests of Miss Lida Jamison at Appleton. Miss Jamison is preparing to enter Wisconsin university this fall.

Mr. Eggert, registrar of deeds of Manitowoc county, Mrs. Eggert and sons Floyd and Lee Eggert were the guests of Mr. and Mrs. R. Ihlenfeldt the last of the week. Monday the Ihlenfeldts accompanied their guests to Milwaukee, where they left for Manitowoc.

### Culling the non-producers

Several things must be kept in mind when one is to pick fowls for high egg production. It does not pay to threaten the hens with the "An egg a day, keeps the hatchet away" policy. It is much better to pick a pullet that has the qualities to lay and then give her a chance to prove that she is no bluff.

Above all, we must have a healthy bird. No one will ever expect a dull-eyed, inactive, rough-looking pullet to lay. She must be vigorous and minus physical defects.

Type indicates the degree of intensity with which a bird can lay. A hen of good type must possess a flat and wide back; the breast should be full and deep; the neck short and well set; the legs of moderate length. The head should be fine with large, hold eyes set in oval eye sockets. Long narrow feathers indicate a late maturing bird. Narrow loose feathers usually make a bird look large. Never get confused—always measure the actual depth and plumpness by grasping the fowl around the body, placing the thumbs together at the top and the fingers together along the keel bone. The underline should be horizontal and fairly deep. A hen of the above type has a large capacity for feed, and feed is essential for a high record.

Some people pick heavy layers entirely according to the pelvic measurements of the fowl. A laying hen has a dilated abdomen so that the pelvic arch is widespread and the keel is forced down away from the pelvic arch. Ordinarily one or two fingers can be placed between the two sharp points of the pelvic bones, but if a hen is laying the points may spread until one may place four or more fingers between them.

The ear lobes, wattles and comb of a laying fowl are large, full, and waxy. If the comb is warm the bird will lay soon. These organs vary with the activities of the ovaries.

A laying hen uses up surplus fat, especially from the skin. A breed of a yellow skin, if laying heavily, will have a white skin or at least less yellow than the non-layer. The color of the vent changes first.

The inner edges of the eyelids bleach out a trifle slower than the vent. The ear lobes of Leghorns and Anconas bleach out slower than the

eyelids. The hen and shanks also bleach out later.

The yellow color returns in the same order as it went away but much quicker. It is during this return of color that the hens usually rest.

When a hen stops laying, in the summer she usually starts molting. The later a hen lay in the summer the longer her production period, so the late molting bird is the best producer. The October or even November molters are the best layers.

A low producer is shy and can be seen on the edge of a flock. It usually squawks when caught.

Cull your flock before you go into winter quarters. It is too expensive to feed and house a non-producer. Use the hatchet now.

## Trevor Happenings

School commences Tuesday morning with Miss Ender as teacher of the lower grade and Miss Verna Vyvyan as teacher of the higher grade.

Mrs. Alfred Martin and daughter Betty Jane returned to her home in South Bend, Ind., after a two weeks' visit with her parents Mr. and Mrs. Sam Mathews. Her brother, Norman Mathews, accompanied her home, having obtained employment there.

The Patrick and Mickle families attended the state fair at Milwaukee on Wednesday.

Mrs. Alta Bennett and son Allen of Barrington Ill., visited Mrs. George Patrick Wednesday and Thursday.

Mr. Lingen is working second truck at the depot and with his wife will occupy rooms at the factory.

Myrtle Davis of Randall spent the past week with her aunt, Mrs. Byron Patrick.

The Misses Eva Ender, Elvira and Dentrice Oetting returned home Wednesday from their trip to Yellowstone Park and Denver, Col.

Mr. Foster Longman of Bigfoot, Prairie visited his brother Dan and family on Wednesday.

Trevor was well represented at the Old Settlers' picnic at Paddock's lake on Thursday.

Mrs. Louis Hasselman and daughter of Silver Lake visited Mrs. Charley Hasselman on Friday.

Mr. William Taylor of Racine was

in Trevor Saturday.

Miss Lucile Evans entertained Miss Grace Mack from Forest Park last week.

Mrs. Mary Aradt returned to Milwaukee her home on Saturday on account of the serious illness of a son-in-law.

Mr. and Mrs. Charley Helzelman and son John returned to their home in Chicago Tuesday after spending the summer at their summer home at Cross Lake.

Mr. Art Kearns spent the last of the week with his parents, brothers and sisters in Chicago. His brothers, George and William returned with him and spent Saturday at the L. H. Mickle home.

Kenneth Kruckman of Burlington, who has been assisting at the pickle plant, left Monday and on Tuesday will go to Milwaukee to commence on a course at the electrical school.

Mrs. Byron Patrick and sons Robert and Ray spent Saturday at her father's, Mr. Ralph Fernald, near Fox River.

Miss Grace Copper of Aurora spent over the week end and Labor day with her parents, Mr. and Mrs. Allen Copper.

Mr. and Mrs. Frank Kavanaugh and daughter Helen visited Mrs. Kavanaugh's aunt, Mrs. Tony Frederson, in Racine Thursday.

Miss Pauline Copper spent the past week with her friend Miss Cobb in Aurora.

Mrs. Kato Van Osdal and son William, Mrs. Flanagan and two daughters of Chicago spent Sunday with Mrs. John Couch.

Miss Verna Vyvyan of Yorkville called on Mrs. Longman Friday.

Mr. and Mrs. Daniel McKay, Miss Ruth Thornton, Mrs. Reynolds and Mrs. Kouch and daughter Ruth were Kenosha visitors Thursday.

Mrs. Agnes Wesson and son Clyde returned to their home in Chicago Saturday after two weeks visit with her sister, Mrs. Harry Loheno.

Little Edna Busch returned to her home in Forest Park after a week's visit at the August Baethke home.

Mr. and Mrs. Fred Forester and

sons Fred and Raymond transacted business in Racine Thursday.

Mrs. Ed Flison and son Henry returned home Saturday from a week's visit with relatives in Chicago. Three nephews of Mrs. Flison returned with them to remain over Labor day.

Mrs. Schule and five daughters of Chicago visited Mrs. La Peau over the week end.

Mrs. L. H. Mickle entertained the following relatives on Saturday: Mrs. Maude Adams and son, Mrs. Minnie Emerson, Mrs. Harry Emerson and sons of Chicago, Mrs. August Schmidt and daughter of Wilmett and Mrs. George Schmidt and son of Camp Lake.

Twelve car loads of sheep were shipped from the yards Monday night.

Mr. and Mrs. John Kouten of Chicago spent over the week end at the former's parents, Mr. and Mrs. John Kouten.

Marion Mathews returned home Monday evening from Janesville, where she spent the past month with her sister, Mrs. Harry Both.

Mr. and Mrs. Alvis Hahn entertained several relatives from Chicago over Labor day.

## WILL WOODIN FIGHTS FIRE WITH MILK

Using milk as a fire extinguisher, W. I. Woodin, president of the Libertyville Fair association, Saturday night saved a farmer's home from being burned at Phillips' corner, between Libertyville and Area. The fire developed at 7:30 in a hay loft in a barn on the Jay Trudy farm, which is leased by A. Bredenberg. The flames spread rapidly to other outbuildings, and by the time Mr. Woodin, whose home is a short distance away, reached the scene, the roof of the farm house was burning.

No water being available, Mr. Woodin seized buckets of milk from the dairy and climbing a ladder he poured the contents on the burning shingles. In the meanwhile, Lawrence Lynch, head of the electrical department of Marshall Field & Co., a guest at the Woodin home, assisted.

in saving live stock. All of the animals were rescued. The loss to the barns and their contents was estimated at \$15,000.

Mr. Frady carried insurance on the

buildings but the occupant had the grain and other contents of the barn and out buildings only partly insured and therefore the latter's loss was heavy.

## From now on ROYAL CORDS —that's settled

ROYAL CORDS have settled things this year with their three new added advantages—the three U.S. discoveries—Sprayed Rubber—Web Cord and the Flat-Band Method of cord tire building.

A convincing tire always—Royals had more to give and gave it. Made in all sizes from 30 x 3 1/2 inch up.

United States Tires are Good Tires

## Notice to Stockholders:

## PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

### ADDITIONAL ISSUE OF COMMON STOCK

This additional issue of 52,980 shares of Common Stock, without par value, is offered to stockholders of record August 20, 1923, at \$94 per share, in the ratio of 20 per cent of their holdings of both Common and Preferred Stock. The present market price is about 101 1/2. This stock is on a parity in all respects with the present outstanding Common Stock. The present dividend rate is \$7 per share per annum. The privilege of subscription to this stock expires September 15, 1923.

**BUSINESS AND TERRITORY.** The Company is one of the largest utilities supplying electricity and gas in the United States. The territory served embraces 6000 square miles, including 180 cities, towns and smaller communities of the most prosperous and rapidly growing section of Northern Illinois. Statistics compiled for the Metropolitan Planning Conference show that, during the last decade, the population in the territory outside Chicago, and within ten miles of the city limits, the very heart of the territory served by the Company, increased more than three times faster than that of Chicago itself.

**PURPOSE OF ISSUE:** The proceeds from the present issue will provide funds for plant extensions necessary to enable the Company to meet the requirements of a constant increase in business. A steam turbine generating plant is under construction at Waukegan, Illinois, and, when completed, will be among the largest in the world. Another important development, necessitated by constantly increasing demands for electrical power, is a large addition to the Company's generating station at Joliet, the capacity of which is being more than doubled.

**SUBSCRIPTION PRIVILEGES:** To provide for the steady increase in business, the Company is constantly increasing its plant and distribution facilities. The present right of stockholders to subscribe for shares of this issue at \$94 is one of the opportunities afforded them, from time to time, to increase their holdings at prices considerably under the market.

**DIVIDEND RECORD:** The recent dividend, paid on August 1, 1923, was the 47th consecutive quarterly payment paid by the Company to its common and preferred stockholders. Taking also into consideration the 39 dividend payments made by one of its predecessor companies, a total of 86 consecutive dividends has been paid over a continuous period of 21 years.

Stockholders now holding subscription warrants are invited to make use of the facilities of the Company's offices named below in making their subscriptions. These offices are equipped to supply additional warrants at current market prices to subscribers who desire to add to their subscription rights, or to purchase warrants from those desiring to sell them.

The East Fox Lake Cemetery society will meet with Mrs. Joseph Hneker on Thursday afternoon, September 13th. Visitors welcome.

### ANNA RINGMAN SHOTLIFF

Anna Ringman Shottliff, daughter of Mr. and Mrs. John Ringman was born on Sept. 20, 1860, on her father's farm at South Bristol, where she spent her girlhood years. She was married to John Shottliff March 25, 1891, after living on the farm for about 5 years they moved to Bristol, where she lived until her death on Sept. 1, 1923, at the age of 62 years, 11 months and 12 days.

Mrs. Shottliff was an active and devoted member of the Methodist church here. She was treasurer of the Ladies Aid society for 27 years as long as her health permitted and she cheerfully gave of time, strength and means for the upbuilding of Christ's Kingdom in the community and even when her condition made it impossible for her to attend church services she maintained an active interest in the Lord's work and did what she could for its furtherance. She suffered intensely for a long time but never complained. In spite of the hard cross of suffering

she remained sweet and cheerful. She is survived by her husband, J. W. Shottliff, her daughter, Mrs. Genevieve Bryant, her grandchild Carol, one sister, Mrs. Mary Bishop, four nieces and one nephew besides many friends who will sorely miss her and to whom her memory is precious and full of encouragement for the Christian living, many friends gathered for the last rites and followed her remains to Hesmer cemetery, where she was laid to rest by the side of her parents. Her faithful and devoted nurse, Mrs. Ruth Van Patten who has been with them for the past eight months and seems like one of the family will remain with the bereaved friends for a few days, before she returns to her home in Antioch.

## Methodist Episcopal Church News

The coming Sunday morning will be communion service at 10:45. All members of the church are expected to be present to take the communion, as Christ has commanded, unless prevented by something beyond their control. All other Christians, of all ages, are cordially invited.

A week from the coming Sunday morning will be baptism and reception of members. All desiring baptism should come at that time, and all parents desiring their children, of any age, baptized should bring them then. All Christians not already having active membership in some church here are invited to unite. No Christian should be an "outsider." Every one should be a member of some working church where he lives. That is the universally recognized principle of Christian efficiency among all church leaders of all denominations. The official board requests that all finances be brought up to date at once as far as possible. The books should be closed by Sept. 17.

Last Sunday morning the sermon was given to emphasizing that the way to win the people to Christ is to give them the great facts of Christianity. Briefly, the points were:

There have been many periods of great revival in history, when the unseen forces of the Spirit world reach out and grip the hearts of the people so that they turn to God in multitudes. Some are saying the days of revivals are past. They have been past a good many times in the history of the

world, but, thank God, they always come back—and they always will. God has not forsaken the world. The human heart is as capable of being greatly moved by the power of God's Spirit as it ever was.

What is needed is that the Christian people in general shall get to thinking deeply and intensely and continuously on the great facts of religion. When they do, they will see and feel the reality of heaven with its resplendent glory and be smitten with the terror of the awful reality of hell with its unmeasured agony of unending doom, and they will see every man headed for one place or the other, they will be pleading with God for the lost, and with the lost that they turn to God. Thus, and only thus will the great revival come to America.

Sacks Used for Clothing.  
Sacks in which flour is shipped from the only flour mill in the great province of Hunan, China, are resold and used for making clothing.
